

SERVICES AVAILABLE TO CUDAHY RESIDENTS at the CUDAHY HEALTH DEPARTMENT

IMMUNIZATIONS: Your baby's shots should start at about two months of age and continue throughout the first two years of life. Your baby can receive these important immunizations at your doctor's office or at the Cudahy Health Department. If you wish to attend one of the immunization clinics offered at the Health Department, please call **769-2239 Ext 300** to schedule an appointment. There is a \$20.00 per visit administration fee. This fee may be waived under special circumstance.

NEWBORN HOME VISIT: A public health nurse is available to do a well baby exam at the parent's request. This is a great opportunity for new parents to ask questions regarding infant safety, nutrition, growth and development. Contact the Health Department to schedule an appointment.

HOME LEAD RISK ASSESSMENT: A public health nurse is available to do a lead risk assessment of your pre-1950 home. Information on preventing childhood lead poisoning and making your home lead safe will be provided. Contact the Cudahy Health Department for more information and to schedule an appointment at **769-2239 Ext 300**.

RESOURCE LIBRARY: The Cudahy Health Department has a large selection of pamphlets available to residents by their request. Topics include infant/child health issues, behavior, growth and development as well as information on adult health issues. Contact the Health Department for more information.

CAR SEAT SAFETY CHECKS: The Cudahy Health Department has a Certified Car Seat Safety Technician available to answer questions about proper car seat use. The technician is also available to do a free car seat inspection. Call the Cudahy Health Department to schedule an appointment.

WOMEN, INFANTS and CHILDREN (WIC) CLINIC: The Cudahy Health Department holds a WIC clinic **Wednesday-Thursday-Friday** of every month from 8:30 AM-4:00 PM. This program provides food and nutrition information to pregnant and breastfeeding women, infants and children under the age of five who meet income guidelines. For more information, contact CUDAHY HEALTH DEPARTMENT-WIC at **769-2229**.
